Hello golf,

why are you so green?

Golf courses need a lot of water
Hello trees,

why aren't you taller?

There is fresh air up in the mountain!
Hello sculpture,

Sometimes we decorate some landscapes

are you the wind’s friend?
Hello houses,

why are so small?

People like gardens
Hello invading plant,

Do you want to colonize everything?

I prefer diversity!
Hello flamingos,

what happens if there is no food for everyone?

Pink is not for boys or girls
